how to find us...

The Butts Park Arena has off street parking for in excess of 250 vehicles, with the main car park accessed from the Butts Road B4101. We have a number of reserved, disabled, coach/ mini bus parking bays. We have use of additional car parking at the City Technical College next door to the Butts Park Arena. Access to this car park is from Albany Road and there is pedestrian access through to the Butts Park Arena.

If the above car parking is full, City car parks can be found at the Skydome, and in the centre of the Roundabout at Junction 7 of the Ring Road (A4053 Ring-way Queens). Access to both these car parks is available from the City side of the junction, immediately left from Croft Road as you leave the roundabout.
